

# CHEMISTRY FACULTY

The University of Great Falls is a growing, Catholic, liberal arts institution that is student-centered and mission focused, preparing students for living and for making a living. The mission supports the Sisters of Providence values of respect, compassion, justice, charity, excellence, and stewardship. The University is accepting applications from qualified, experienced, enthusiastic professionals who can assist with continued excellence in chemistry education and help us develop new program options that excite and attract students to the major.
