

ArgoExpress Basic Terminology

Select Term

Select the semester for which you want to register

Registration Status

Displays the various items that may affect registration such as holds, hours earned, level, cohort, etc)

Update Student Term Data

Allows you to submit a request for a change of major or advisor.

Look Up Classes

This allows you to search the schedule by specific criteria. Check boxes allow you to mark course selection(s) to register for courses during open registration periods.

Add/Drop Classes

May be used for initial registration or to make adjustments to an existing schedule. Register for courses or change your schedule.

Change Class Options

Change the credit hours for a variable credit course such as internships, music lessons, etc. It is important to remember that when you initially register for variable credit classes, you will be enrolled in the minimum number available. You will need to adjust those hours in this screen if necessary.

Student Detail Schedule

View your schedule for the selected semester with instructor, grade mode, status, credit hours, etc.

Week at a Glance

This page provides you with an interactive calendar to display your class days and times. You can select the hyperlink for each course to access additional information such as instructor contact information. You can also search future dates to see when courses are scheduled. Courses that have no scheduled meeting times (online courses) or those that are TBA are listed at the bottom of the page.

Active Registration

This will display all courses you are enrolled in for ALL active terms. Please note that at certain times of the year, you may have as many as three terms visible on this page.

Registration Fee Assessment

Allows you to view your tuition charges for the current semester.

Registration History

Allows you to view your registration history for all previous semesters beginning with Spring 2011.
